No.FEE 138 FWL 2021

Karnataka Government Secretariat,  
M.S.Building,  
Bangalore, Dated: 31.12.2022

**NOTIFICATION**

Whereas the Government of Karnataka considers that it is desirable to declare the area, situation, limits and extent of which are specified in the schedule below, to be a wildlife sanctuary for reasons of its ecological, faunal, floral and geo-morphological importance, and for the purpose of protecting, propagating and developing wildlife therein or its environment.

And whereas the Government of Karnataka considers it necessary to declare the area as a wildlife sanctuary in view of the following aspects;

1. The reserve forest area viz. Bankapura Block-2 RF with an extent of 332.68 Ha with its undulating terrains, rocky outcrops, scrub like forests, natural dens, agglomerations of boulders and stones forms an ideal habitat for lesser carnivore species like the Indian grey wolves, striped hyenas, jackals, foxes and other smaller mammals. Indian grey wolf is a key stone species and an apex predator in these areas which is already vulnerable and requires greater protection and conservation through preservation of its extant habitats.
2. Due to biotic pressures and natural reasons, habitats of wolves are rapidly decreasing across the country, so much so that wolves have totally disappeared from a major part of Karnataka except in the northern plains. Hence, in order to protect its habitat and accord the highest protection to this species and the associated intra-guild carnivores a proposal was placed before State Board of Wildlife. During 15th meeting of the State Board for Wildlife held on 19-01-2021 under the Chairmanship of the Hon'ble Chief Minister,

Government of Karnataka, it has been unanimously resolved to declare the Reserve Forest areas mentioned in Schedule below as Bankapura Wolf Wildlife Sanctuary.

And whereas all the rights in respect of the Notified Reserve / Protected Forests to be constituted as “Bankapura Wolf Wildlife Sanctuary”, are already vested with the State Government.

Now, therefore, in exercise of the powers conferred by Section 26-A(1)(b) of the Wildlife (Protection) Act, 1972 [Amendment in 2006] [39 of 2006] [Central Act 53 of 1972], the Government of Karnataka hereby declares that the areas specified in the Schedules below (details of various Forest Sy. Nos. are given in Annexure) shall be comprised within the Sanctuary and further declares that the said area shall be wildlife sanctuary and called as **“Bankapura Wolf Wildlife Sanctuary”** with effect from the date of publication of this notification.

The Bankapura Wildlife Sanctuary, shall not include any of the revenue villages, patta lands, or revenue lands on the date of publication of this notification.

No.FEE 138 FWL 2021

Karnataka Government Secretariat,  
 M.S.Building,  
 Bengaluru, Dated: 31.12.2022.

**NOTIFICATION**

Whereas the Government of Karnataka considers that it is desirable to declare the area, situation, limits and extent of which are specified in the schedule below, to be a Conservation reserve for reasons of its ecological, faunal, floral and geo-morphological importance, and for the purpose of protecting, propagating and developing wildlife therein or its environment and to protect the important breeding habitat of Migratory Birds and other local species.

And whereas the Government of Karnataka considers it necessary to declare the area as a "Bird Conservation Reserve" in view of the following aspects;

- 1) During the 12<sup>th</sup> meeting of the State Board for Wildlife held on 26-09-2019 under the Chairmanship of Hon'ble Chief Minister, Government of Karnataka, it was resolved to declare the Government land in PetaAmmapur village of **Surapur** taluk of Yadagiri district as Bonal Bird Conservation Reserve.

- 2) Bonal Lake is perennial fresh & shallow water lake and is a highly productive ecosystem, supporting a variety of natural communities and harbouring great diversity including a variety of local and migratory birds.
- 3) This lake is ecologically well balanced and highly productive with a variety of zoo planktons, aquatic insects, aquatic weeds and several fishes.
- 4) The said lake is unique habitat of Migratory Birds and other species, which are listed in various Schedules of Wildlife Protection Act 1972. The Migratory Birds are threatened by several factors like poaching, destruction of nests and eggs. There is need for preventing the loss of habitat for migratory birds and other resident bird species.

And whereas all the rights in respect of the boundaries of the Bonal Lake to be constituted as “Bird Conservation Reserve” are, already vested with the State Government.

Now therefore, in exercise of the power conferred by Sec-36A of the Wildlife (Protection) Act-1972 [Central Act-53 of 1972], the Government of Karnataka hereby declares that the area specified in Schedule below, shall be a Conservation Reserve and further declares that the said conservation reserve shall be called as **“Bonal Bird Conservation Reserve”** with effect from the date of publication of this notification.

The Bonal Bird Conservation Reserve shall not include any of the patta lands on the date of publication of this notification.

**NOTIFICATION**

Whereas the Government of Karnataka considers that it is desirable to declare the area, situation, limits and extent of which are specified in the schedule below, to be a wildlife sanctuary for reasons of its ecological, faunal, floral and geo-morphological importance, and for the purpose of protecting, propagating and developing wildlife therein or its environment.

And whereas the Government of Karnataka considers it necessary to declare these areas as a wildlife sanctuary in view of the following aspects,

1. During the 12th meeting of the State Board for Wildlife held on 26-09-2019 under the Chairmanship of Hon'ble Chief Minister, Government of Karnataka, it has been unanimously resolved to declare the Hirekal Gudda SF, Ramenahalli SF, Chakanakatte SF, Garudanagiri PF areas as Arasikere Sloth Bear Wildlife Sanctuary.
2. Further, by virtue of their biological richness, they are potentially of high value to human society, help in maintaining the ecological stability of the area and are significant in conserving biological diversity. The uniqueness of the services they offer to human society is precious.
3. Further, the area needs to be conserved taking the local context into account, on the basis of graduated or layered regulations as well as positive incentives depending upon their intrinsic value and extent of resilience.
4. The reserved forest areas have rich natural forest cover comprising many of the features as wildlife habitat, protecting the area would reduce man and animal conflict in surrounding areas.
5. Due to biotic & climatic interventions, there is a threat of degradation of rich natural forest and to the Wildlife of the area. Hence, there is a need to conserve this precious & irreplaceable unique wealth given by our nature.

And whereas all the rights in respect of the Notified Reserve / Protected Forests to be constituted as wildlife sanctuary are already vested with the State Government.

**PR-08****GOVERNMENT OF KARNATAKA**

No. FEE 138 FWL 2021

Karnataka Government Secretariat,  
M.S.Building,  
Bangalore, Dated:31.12.2022.

**NOTIFICATION**

Whereas the Government of Karnataka considers that it is desirable to declare the area, situation, limits and extent of which are specified in the schedule below, to be a wildlife sanctuary for reasons of its ecological, faunal, floral and geo-morphological

importance, and for the purpose of protecting, propagating and developing wildlife therein or its environment.

And whereas the Government of Karnataka considers it necessary to declare the area as a Wildlife Sanctuary in view of the following aspects;

1. During the 15<sup>th</sup> meeting of the State Board for Wildlife held on 19.01.2021 under the Chairmanship of Hon'ble Chief Minister, Government of Karnataka, it has been resolved to declare the Reserve Forest areas mentioned in Schedule-II, Schedule-III and Annexure as Uttaregudda Wildlife Sanctuary.
2. The reserved forest areas are ecologically rich, valuable and unique but being ecologically sensitive, are prone to disturbances. Further, as the areas also house economically important tree species they need to be protected through scientific management.
3. Further, by virtue of their biological richness, they are potentially of high value to human society, help in maintaining the ecological stability of the area and are significant in conserving biological diversity.
4. Further, the area needs to be conserved taking the local context into account, on the basis of graduated or layered regulations as well as positive incentives depending upon their intrinsic value and extent of resilience.
5. The habitat of these forests are unique, wherein endangered species such as, Four Horned Antelope are found in the said habitats in addition to other Scheduled animals such as Bear, Leopard, Hyaena, Indian Wolf etc. Apart from these, a variety of flora and fauna including about 25 mammals, 12 amphibians, 28 reptiles, 54 butterflies, 160 birds are also found in these forests.
6. This Forest area was notified as Marikanive State Forest by His highness Maharaja of Mysore thus has Historical importance.
7. Francis Buchanan, a British Officer, mentioned the above Forest areas in his Book Volume-3. "A journey from the Madras throughout the countries of Mysore Canara and Malabar". In this Book, he mentioned about the Tiger sighting in the Hiriyur Taluk also as well as in Holalkere Taluk.
8. These forests provide better habitat for the wild animals including Leopards, Sloth Bears, Pangolins, Wild Boars, Porcupines, Jackal, Foxes, Indian Wolf, Hare etc. Hence, declaring the area as a Sanctuary is essential. The adjoining forest areas are dry deciduous and thorny scrub type forests, interspersed with rocks and boulders and are ideal for Sloth Bears, Leopards & other wild animals.
9. These forests have one of the few wild surviving populations of the endangered Indian Sloth Bears (*Melursus ursinus*), which is endemic to Indian subcontinent. The Indian Sloth Bear is given highest protection under Schedule-1 of the Wildlife (Protection) Act, 1972.
10. The reserved forests proposed for notification are adjoining to the existing Bukkapatna Wild Life Sanctuary and form corridor for the movement of wild animals such as Elephants. These forests are very good habitat for Sloth Bears and Leopards. The total area of the existing Bukkapatna sanctuary is 18926.24 Hectares which is considered as a small area for long ranging wild animals. Thus, to make it a viable habitat, the adjoining areas need to be declared as sanctuary and managed.

And whereas all the rights in respect of the notified Reserve Forests to be constituted as "Uttaregudda Wildlife Sanctuary", are already vested with the State Government.

Now, therefore, in exercise of the powers conferred by Section 26-A(1)(b) of the Wildlife (Protection) Act, 1972 [Amendment in 2006] [39 of 2006] [Central Act 53 of 1972] the Government of Karnataka hereby declares that the areas specified in the schedule below shall be comprised within the Wildlife Sanctuary and further declares that the said area shall be Wildlife Sanctuary and called as "**Uttaregudda Wildlife Sanctuary**" with effect from the date of publication of this notification.

The Uttaregudda Wildlife Sanctuary shall not include any of the revenue villages, patta lands, revenue lands on the date of publication of this notification.

No. FCS 15 EBT 2020(e-office)

Karnataka Government Secretariat,  
Vikasa Soudha,  
Bengaluru, Dated: 03.12.2022.

**NOTIFICATION**

Whereas the draft of the following rules further to amend The Karnataka Legal Metrology (Enforcement) Rules 2011 was published as required by sub-section 4 of section 53 of the Legal Metrology Act 2009(Central Act 1 of 2010) in Notification no: FCS 15 EBT 2020(e-office), dated 08.06.2021 in part IV-A of the Karnataka Gazette inviting objections and suggestions from all persons likely to be affected thereby within thirty days from the date of publication in the official gazette.

And whereas the said Gazette was made available to the public on 10.06.2021.

And whereas, the objections and suggestions received have been considered by the State Government.

Now, therefore, in exercise of the powers conferred under section 53 of the Legal Metrology Act 2009(Central Act 1 of 2010), and after consultation with the Central Government, the Government of Karnataka hereby makes the following Rules, namely:-

**RULES****1. Title and commencement:**

1. These rules may be called the Karnataka Legal Metrology (Enforcement) (Amendment) Rules, 2021.
2. They shall come into force from the First day of January 2023.

**2. (i) In rule 3, in sub-rule (1) the following proviso after the existing proviso shall be inserted, namely:**

Provided further that no person shall be granted a repairing license unless such person possesses such educational qualification/technical competency, and such other conditions as may be specified by the Controller from time to time.

**3. (ii) In rule 3 of the said rules, for the sub-rule (4), the following shall be substituted, namely: -**

Every license issued to a Manufacturer, Dealer and Repairer shall be valid for a period of two calendar years and may be renewed for a period every two calendar years, by the Controller or such other officer as may be authorized by him in this behalf on payment of fee as specified in the schedule IV.

**4. In rule 3 of the said rules after the sub rule 12 a new sub-rule 13 shall be inserted as follows;****Suspension and cancellation of licence granted:**

(1) The Controller or such other officer authorized by him on his behalf may, if he has any reasonable cause to believe that the holder of any licence issued, renewed or continued under this Act has made any statement in, or in relation to, any application for the issue, renewal or continuance of the licence, which is incorrect or false in any material particular or has contravened any provision of the Act or any rule or order made thereunder, suspend such licence, pending the completion of any inquiry against the holder of such licence:

PROVIDED that no such licence shall be suspended unless the holder thereof has been given a reasonable opportunity of showing cause against the proposed action:

PROVIDED FURTHER that where the inquiry referred to in this sub-section is not completed within a period of three months from the date of suspension of a licence, such suspension shall, on the expiry of the period aforesaid, stand vacated.

(2) The Controller or such other officer authorized by him on behalf may, if he is satisfied, after making such enquiry as he may think fit, that the holder of a licence has made a false or incorrect statement of the nature referred to in sub-rule (1), or has contravened any law or order referred to in that sub-section, cancel such licence:

PROVIDED that no such licence shall be cancelled unless the holder thereof has been given a reasonable opportunity of showing cause against the proposed action.

(3) Every person whose licence has been suspended shall, immediately after such suspension, stop functioning as such licensee and shall not resume business as such licensee until the order of such suspension has been, or stands, vacated.

(4) Every licensee whose licence has been suspended or cancelled shall, after such suspension or cancellation, as the case may be, surrender such licence to the authority by which such licence was issued.

(5) Every licensee whose licence has been cancelled shall, within a period of thirty days from the date of such cancellation, or within such further period, not exceeding three months from such date, as the Controller or such other officer authorized by him on behalf may, on sufficient cause being shown, allow, dispose of the weights or measures which were in his possession, custody or control on the date of such cancellation and in the event of his failure to do so, the Controller or any other officer authorized by him, in writing, in this behalf, may seize and dispose of the same and distribute the proceeds thereof in such manner as may be prescribed.
